## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Erik A. Heter (Reg. No. 50,652) on March 15, 2004.

The application has been amended as follows:

Please, cancel claims 12, 14 without prejudice because those claims are withdrawn as being drawn to non-elected claims from the election requirement.

### ***Allowable Subject Matter***

2. Claims 1, 4-9, 11, 13, 15, and 17 are allowed.

The following is an examiner's statement of reasons for allowance:

The references cited in this and the previous Office actions disclose a system having an integrated circuit (IC), a printed circuit board (PCB), a power laminate, a voltage regulator circuit, a plurality of decoupling capacitors, and some other of the claim elements. However, they do not disclose or render obvious in combination of the voltage regulator circuit mounted upon the power laminate, the voltage regulator circuit configured for receiving a first voltage and providing a second voltage to the power laminate, and the decoupling capacitors mounted upon the power laminate.

Art Unit: 2827

Also, there is no suggestion to modify the references to include these limitations

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Dozier, Taylor et al., and Bupp et al. disclose related art.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan T Dinh whose telephone number is 571-272-1929. The examiner can normally be reached on M-F.
